Aqua Run Fun

As the pool is set at 2m deep for Aqua Run sessions, the following guidelines are in place to ensure the safety of all children attending Sports Camps at ASV:

- Children must be over the age of 8 in order to use the Aqua Run
- Children must be able to swim competently in order to use the Aqua Run. If in doubt users must be able to prove their competence by swimming 25m continually of an approved stroke, tread water for 30 seconds and climb out of the pool unaided

For all those who do not meet this criteria a fun pool session will be available in water set at standing depth. Non-swimmers will be required to wear arm bands or other swimming aids where they are not able to stand in the water.

Drop off / pick up

We operate a strict sign in and sign out policy for children aged under 8 years old. These children should be dropped off and collected from the registration area: the children will not be permitted to leave this area until a parent or responsible adult has signed them out. Children aged 8 and above will be permitted to leave the registration area at 4pm, and parents must ensure that suitable collection arrangements are in place for them. Children should be collected no later than 4pm (or 5pm for those attending the extra hours service).

Late pick-up

We would appreciate your help in adhering to these Camp times and ensuring that children are collected promptly. There will be an additional charge for late pick up or early drop off where this occurs out with Camp times.

Lunch and breaks

The children have a 15 minute break in the morning, two breaks in the afternoon and a 45 minute lunch break. We encourage a healthy, substantial lunch that suits a day of sporting fun. We also encourage you to bring a refillable water bottle (preferably with your name on it). The children will be allowed plenty of opportunities during activities to have a drink.

Children are not permitted to use vending machines during the hours of Sports Camps at ASV.

ASV can provide lunch bags at £3.50 per day containing; Sandwich, crisps or sweet, fruit and a drink. This optional extra is available on the booking form.

Child Protection

ASV has a comprehensive Vulnerable Groups Protection Policy, which is available for parents to read on request.

Children with disabilities

ASV fully encourages children with physical, sensory and learning disabilities to attend our Camps. Our coaches have attended various workshops and training sessions approved by Scottish Disability Sport and have experience in working with youngsters with a variety of additional support needs. We invite parents and carers to talk to us about their child's specific needs and to let us know about any measures we should put in place to accommodate their child. If there is a need for one-to-one supervision of the child we would invite a carer or parent along to the camp.

Insurance

ASV has comprehensive public liability insurance in place.

Photo and video

On occasions ASV may take pictures or film the Camp for use on promotional material. If you have requested for your child not to be photographed on the booking form we will make sure that they are not included in any of the shots.

Behaviour

What ASV expects from the children:

- NO swearing or abusive language to other children or ASV staff
- NO bullying or violent behaviour towards other children or ASV staff
- NO disruptive behaviour
- Treat others how you would like to be treated
- Respect the property of Aberdeen Sports Village
- Listen to instructions and show respect to all ASV staff
- Please inform us before the Camp if you feel your child has any behavioural difficulties so that we can put appropriate measures in place.

On the very rare occasion that a child repeatedly does not follow the above guidelines or a child's behaviour puts themselves or others at risk of harm, ASV reserves the right to exclude the child from the Camp with immediate effect. In this instance the Camp is non-refundable and it is the parents'/carers' responsibility to collect the child.
